

Holiday Call during slowdown: All attendings participate equally in this, but if an attending does not do weekend call they will not due weekends on holidays

#### General Cardiology Call (London, Rawson, Wortham Services)

Attending	Notes
<b>Bresee</b>	Slowdown: 50% reduction in call. In 2025 he did all his call the first half of the year, so has no call the second half (except he volunteered 3 weekends). Will do 4 weekends only first half of 2026 (none in March). No inpatient call after June 30 2026.
<b>Coombes</b>	Starts August 1 2025
