

Holiday Call during slowdown: All attendings participate equally in this, but if an attending does not do weekend call they will not due weekends on holidays

General Cardiology Call (London, Rawson, Wortham Services)

Attending	Notes
Bresee	Slowdown: 50% reduction in call. In 2025 he did all his call the first half of the year, so has no call the second half (except he volunteered 3 weekends). Will do 4 weekends only first half of 2026 (none in March). No inpatient call after June 30 2026.
